European Commission DG ENVIRONMENT Directorate B–Natural Capital ENV. B.2-Biodiversity	Pilot on-farm projects to test result-based remuneration schemes for the enhancement of biodiversity	The specific objectives of this call for proposals are: –To promote the design, development and use in rural areas of result-based remuneration schemes to conserve and enhance biodiversity or increase the understanding of factors that contribute to the success or failure of such schemes; –To identify opportunities and conditions for increasing the use of such schemes in the EU and in particular in the context of the CAP; –To explore the potential for such schemes to be applied widely in the rural countryside	Eligible applicants: In order to be eligible for a grant, applicants could be public and private bodies, NGOs, universities , or research institutes. Applicants must be registered in an EU Member State. Applicants must be directly responsible for the preparation and management of the action. Applications presented by a body acting as intermediary for a third party are not acceptable.	Types of activities carried out by the beneficiary which are eligible under this call for proposals include : –design, implementation, co-ordination and management of the project; –(internal and/or external) auditing of applicants and third parties who receive financial support from the project (see below); –awareness-raising, training and dissemination activities; –actions aiming at the creation and improving of networks, exchanges of good practices; –studies, analyses and mapping activities directly related to the project's design, monitoring and evaluation; –subcontracting for specific activities necessary for carrying out the project. Such services should comply with the project's objectives (see point 2) and they may include training of farmers, monitoring of the actions,	The EU grant is limited to a maximum co-funding rate of 70% of eligible costs taking into account the 500,000 € maximum grant specify in sector 4.	The maximum EU co-financing rate under this call for proposals is 70% of the eligible costs per proposal based on the project's budget. The balance must be financed from the applicant's own resources, or from sources other than the European Union budget.	15 September 2015 at 17:00 (Central European Time)	http://ec.europa.eu/environment/funding/rbaps_15.htm http://ec.europa.eu/environment/funding/pdf/rbaps2015/EP%20Pilot%20grant%20RBAPS%20call%20final.pdf
